SIR

SUBJECT —Toll-gate collections 1942-43 - Chitaldrug Municipality - Disposal by contract
===

I have the honour to state that the President, Town Municipal Council, Chitaldrug reported in his No R C 118/41-42 dated 2nd May 1942, that it is proposed to dispose of the right to collect toll revenue during 1941-42, by contract, as in previous years, as many of the Councillors opined that Amani system involves not only additional expenditure to the Municipality but also additional labour on the executive staff and that the sale is fixed to be held on the 25th May 1942

2 A resolution of the Council and also a note from the Chief Officer of the Municipality showing the collections made so far were called for The question relating to the working of the toll gate was subsequently placed before the Council on 7th May 1942 and it was resolved that the right of collecting toll fees during 1942-43 may be disposed of by contract

3 The President has submitted the detailed note of the Chief Officer and it can be seen therefrom that inspite of adverse seasonal conditions and the prevalence of plague epidemic in the town and surrounding villages, a sum of nearly Rs 12,000/- has been collected up to the 14th May 1942 and the income of Rs 15000/- provided in the current year's budget can be anticipated as this is the cotton season and there are still 1½ months more for the current year to close and I have drawn the attention of the President to the Provision contained in official Memorandum No L 6761-71 Ml 1o1 39 dated 1-2-1940 explaining the advantages of the Amani system as also to letter No L 6434/Ml 112-41-~~11~~, dated 27th January 1942, from the Secretary to Government, Law Department, directing that the resolution of the Municipal Council to revert to the lease system is not acceptable and I have therefore instructed him not to hold the sale fixed for the 25th May 1942 pending orders of Government

4 Some of the Municipal Councillors are interested in the contract system without due regard to the source of trouble and harassment to the public by adopting this system which is more often abused In spite of adverse circumstances the collections so far made under Amani system are satisfactory for ten and a half months the Municipal staff employed are taking keen interest in collection work and there are no good grounds to change the Amani system

5 In the above circumstances, I request that orders of Government may kindly be obtained for running the toll gate departmentally during 1942-43 The

The connected records are forwarded herewith for kind reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
